Ivory, Va., November 2.—An attempt was made early yesterday morning to blow open a safe in the store of W. H. Eley, but the plan failed. Dynamite was placed between the safe and a large refrigerator in the rear of the store, and exploded as a freight train was passing, the tracks being but a few yards from the building. No attempt was made to bore the safe.

The store was partially wrecked and the stock of goods was scattered and damaged. There is no clue to the perpetrator.

ASK EARLY ACTION IN CUTCHIN CASE

Motion Will Be Made to Have Appeal Moved From Wytheville.

[Special to The Times-Dispatch.]
Roanoke, Va., November 2.—To-day Mayor Joel H. Cutchin was served with a paper from Halston and Willis, attorneys, advising him that a motion would be made before the State Supreme Court the first day of the November term in Richmond to have his appeal moved from Wytheville, where it was to have been heard in June, 1912.

The Mayor was found guilty of malfeasance and misfeasance in office, and the verdict of the jury required his removal. He appealed his case, and was granted a writ of error. The prosecution is moving to speed the case, in order that the matter might be finally settled, the prosecution getting forth reasons for their haste. They will endeavor to show the court that the official acts of an officer who is awaiting the decision of the higher court have not the force they should otherwise have, and they deem it best for the interests of the city to have removal. Pending the appeal, Mayor Cutchin has been exercising the functions of his office.

LACKED CONFIDENCE STILL IT HELPED

Happy Experience of Ridgeley Lady, Who Describes Her Own Narrow Escape From Death.

Ridgeley, Tenn.—Mrs. Jennie Estes, of this place, writes: "I want to say something good for Cardui. I can't begin to say enough. I was sick abed with womanly troubles from February until October, and was in very bad condition. The doctor came to see me three or four times a week, but he did me no good. One day I thought I would give Cardui a trial. I had no confidence in it at all, but I bought a bottle. In a few days I was up and doing my housework. Now I have gained 15 pounds, and am feeling as well as I ever felt in my life. If it had not been for Cardui I honestly believe I would have been in my grave. I advise all sick and suffering women to take Cardui. It cured me when all other medicines failed."

In the past fifty years thousands of ladies have written, like Mrs. Estes, to tell of the benefit received from Cardui. Such testimony from those who have tried and know Cardui surely indicates the value of this reliable woman's remedy. For quick relief from all forms of womanly trouble Cardui is the medicine you need. Try it.

NEW BANK ORGANIZED AT FREDERICKSBURG

Contract for Building Awarded. Teachers of Essex County Form Association.

[Special to The Times-Dispatch.]
Fredericksburg, Va., November 2.—The Commercial State Bank, a new corporation recently organized to go into the banking business here, has contracted with the owners of the brick building at the corner of Main and Commerce Streets here, for a new up-to-date bank building, to be erected on the site of the present old building which is to be torn down. The building will be modern in every respect.

Judge John T. Goolrick, of the Corporation Court here, has entered a decree in the records of the court referring the exceptions filed in the Austen Run mining case, which was brought from the Stafford County to this court, to Master Commissioner C. A. Bryan, of Stafford county, for investigation and report. The exceptions are of the sale of the Austen Run mining property recently made by W. W. Butner and Alvin T. Emery, commissioners, appointed by Stafford county. The property involved is valuable, including the mine in Stafford county, a railroad and valuable machinery, etc.

Many hunting parties have gone out from Fredericksburg and many of them were successful, game being quite plentiful so far in this section, but the hunt is still continuing, the number of turkeys, birds and rabbits will be greatly decreased within a short time.

A party of three who went out from Fredericksburg to hunt yesterday, returned last night, bringing with them nine wild turkeys, fifteen rabbits and twelve squirrels. There are many citizens of Fredericksburg who enjoy fishing, and parties go out every day to Aquia Creek and Chappawanoque, and many fine specimens of the finny tribe are brought back by them. The sport has become so popular that a petition was circulated and generally signed, requesting the Richmond, Fredericksburg and Potomac Railroad to stop its local trains at Chappawanoque Creek upon request or upon signal. The company, considering the matter, has decided to comply with the request, and the fishermen much rejoiced.

The teachers of Essex county have organized a teachers' association, with the following officers: W. N. Gammon, of Tappanhook, president; Mr. Beatty, of Lloyd's, Geo. D. Rowe, of Dunnsville High School; Miss Toombs, vice-president, from Occopaca; Rappahannock and Central District respectively; Miss Mirtle Coleman, secretary and treasurer.

Flocks of wild geese have been noticed flying over this city yesterday and last night, which is taken as an indication that colder weather will soon follow their flight.

MAKES PLEA FOR MISSIONS.
Dr. Atkinson Addresses Eastern Virginia Christian Conference.

[Special to The Times-Dispatch.]
Suffolk, Va., November 2.—The cotton growing States of all others should be the first and most liberal in the matter of contributing to foreign missions, said Dr. J. O. Atkinson today, the third of the Eastern Virginia Christian Conference. In an eloquent plea for missions Dr. Atkinson, who is an editor of a denominational paper, pointed out the benefits which will accrue from donations to foreign fields. The only colored man to have a voice on the conference floor was Rev. W. F. Cummings, of South America, who this afternoon was given ten minutes to tell of his struggles to gain a classical education while supporting five children. Cummings declared that he could not cope with highly cultured Catholics in his field unless he were better trained mentally. A collection of about \$100 resulted.

Dr. A. W. Lightbourne, of Dover, Del., preached to a large audience to-night. The conference will close to-morrow.

N. C. AGGIES WILL MEET NAVY ELEVEN

[Special to The Times-Dispatch.]
West Raleigh, N. C., November 2.—By all odds the biggest game in the football line that A. & M. has ever scheduled is that on Saturday with the United States Naval Academy eleven at Annapolis, Md.

This season the academy has one of the best teams in its history. In fact the Navy eleven has been spoken of by experts as being the best in the country.

The showing thus far this season by the Red and white team has not been consistently of the best, the second game on the schedule being a defeat by an inferior team, still the showing by A. & M. in the Bucknell game fair week showed that the old fighting spirit is still a mighty asset to all A. & M. teams.

A. & M. did not run up as large a score against Tennessee last Saturday as was expected, still the showing of the team was not what could be called unsatisfactory, because A. & M. went into the game with two of her very best men out of the line-up on account of injuries received in the Bucknell game. These men were Robertson, all South Atlantic half back, and Hurt, one of the very best tackles that ever played on an A. & M. team.

In the game Saturday all of the regulars will be in their places, every variety man now being in good shape.

POST-OFFICE SAFE IS BLOWN OPEN

Cash to Amount of \$72.15 and Valuable Private Papers Stolen.

[Special to The Times-Dispatch.]
South Hill, Va., November 2.—The South Hill post-office was entered early this morning between 2 and 3 o'clock. The safe was blown open and the cash drawer, with its contents, amounting to \$72.15 and valuable papers of R. E. Daniel, of this place, were stolen. The books, papers, stamps and other valuable matter were taken from the safe and hidden in a rear room of the building, but none of these was taken.

Entrance was made through the front door of the building, which is situated on Atlantic Street, after the town lights had been cut off and the safe was carefully blown, evidently with nitroglycerine. The job has the appearance of being one of an experienced crackman.

The town authorities are using every effort to detect the criminals, but up to this time no clue of any importance has been unearthed. It is the opinion of the people here that the work was done by the same people who shot while ago attempted to blow the safe of the Planters' Bank at Clarksville.

MISSIONARY CONFERENCE HOLDS ITS FINAL SESSION

[Special to The Times-Dispatch.]
Fayetteville, N. C., November 2.—The Woman's Baptist Missionary Conference of the Wilmington district, embracing one-fourth of North Carolina, adjourned its second annual conven-

tion here to-night. The night session was devoted to a mission sermon by Dr. O'Kelley, pastor of the Tabernacle Baptist Church, of Raleigh. The conference at its morning and afternoon sessions was occupied chiefly with the discussion of "Spiritual Aspiration," "The Lord's Tenth" and personal service. The members of the convention were this afternoon tendered a reception by the women of the First Baptist Church.
